***Immersing students in  
the disruptive world of  
law and technology***

# Executive Welcome

Dear Prospective Sponsors,

The QUT Law, Innovation & Technology Society (LITS) proudly presents our **2026 Prospectus**. This document details the initiatives, events and opportunities we provide to our members, complete with how your generous support will make an impact.

Established in 2023, LITS is a student-led community connecting students with the people, tools and ideas shaping **tech law** (AI Regulation | Privacy | Cybersecurity) and **legal tech** (Automation | eDiscovery | Data-Driven Practice). Our club is unique in being the only alternative law society at QUT, and the only student society in Australia focused on this intersection.

We are providing a niche for students seeking **alternative pathways**, showing them the breadth of opportunities available to them. Now more than ever, students must engage with technology in order to thrive in the ever-changing legal industry. Providing opportunities and education on law and tech is our goal, and we can only do this with your help.

The LITS Executive Team extends our immense gratitude for your support of our society in any capacity. We look forward to engaging with you throughout 2026!

# Why Sponsor Us?

## Access to Specialised Talent

Engage directly with high-performing students who will shape the future of legal innovation

## Event Engagement

Opportunities to present at events, mentor students and collaborate on projects that highlight industry trends

## Commitment to the Future

Showcase your company's commitment to fostering the next generation of legal innovators

## Brand Visibility

Position your organisation at the intersection of law and technology with a feature on our website and promotion on our social media

## Relationship Building

Build connections with students, academics, legal professionals, technologists and innovators

## Thought Leadership

Lead discussions and champion the teachings of law and technology across QUT and the wider community

# Landmark Events

Event	Date
<b>Law &amp; Tech Networking Night</b>	<b>9 APRIL 2026</b>
<b>Legal Tech Challenge</b>	<b>6 MAY 2026</b>
<b>QUT Tech Industry Night</b>	<b>14 AUGUST 2026</b>
<b>Innovate &amp; Regulate</b>	<b>4 SEPTEMBER 2026</b>

*Dates are subject to change. Invitations with further event details will be sent to sponsors closer to the time.*

# Law & Tech Networking Night

The Law & Tech Networking Night is our premier event connecting students with professionals working at the intersection of law and technology. From privacy and cybersecurity to AI governance and digital innovation, this event highlights how technology is reshaping the legal landscape.

Sponsors have the opportunity to demonstrate how your organisation integrates emerging technologies into practice. We invite firms and companies to share their expertise and inspire the next generation of future-focused professionals.

Designed as both a panel discussion and networking session, the Law & Tech Networking Night fosters meaningful connections between students and industry, encouraging attendees to discover the breadth of pathways available within this dynamic field.

## Sponsorship Benefits

- **Banner and logo** display at the event
- Invitation to provide a **panellist or keynote speaker**
- **Logo** featured on all promotional materials and event media
- **Formal acknowledgement** during opening remarks
- **Photography and media** provided for your firm's use (upon request)

# Legal Tech Challenge

The Legal Tech Challenge is an interactive workshop-style event that encourages students to design innovative technology-based solutions to real-world legal problems. Participants then pitch their ideas to a panel of industry judges.

Unlike a traditional hackathon, this challenge welcomes students from all backgrounds, no coding experience is required, only a passion for creativity, problem-solving and innovation. The event empowers students to think critically about the future of law and develop practical, tech-driven concepts that could reshape legal practice.

Sponsors have the opportunity to engage directly with participants, showcase their organisation's commitment to innovation and support the next generation of legal technologists.

## Sponsorship Benefits

- **Banner and logo** display at the event
- Invitation to provide a **judge or mentor** for student teams
- **Logo** on all promotional materials and event media
- **Formal acknowledgement** during opening remarks
- **Photography and media** coverage provided for your firm's use (upon request)

# QUT Tech Industry Night

The QUT Tech Industry Night is the largest networking event for technology-focused students at QUT, hosted in collaboration with other leading tech societies. This flagship event brings together students from diverse disciplines to engage directly with professionals shaping the future of technology and innovation.

For sponsors, this is an unparalleled opportunity to connect with QUT's most talented and ambitious students. You can showcase your graduate programs, highlight innovative projects, and engage in inspiring discussions on the annual theme.

With over 200 attendees and a wide industry presence, this event continues to be a highlight of the university's technology calendar and a key opportunity for organisations to connect, recruit and inspire future leaders in tech.

## Sponsorship Benefits

- **Banner and logo** display at the event
- Invitation to provide a **panellist or keynote speaker**
- **Exclusive booth or table space** for networking and promotion
- **Logo** on all promotional materials and event media
- **Photography and media** coverage provided for your firm's use (upon request)

# Innovate & Regulate

The Innovate & Regulate series is our flagship thought-leadership event, bringing together leading professionals, academics and students to explore how innovation challenges traditional legal frameworks and what the future of regulation might look like.

This event encourages critical discussion on how emerging technologies can be governed responsibly and ethically. Past themes have included AI and the Law and The Future of Digital Finance, each drawing wide engagement from students and industry alike.

For sponsors, this event offers the opportunity to position your organisation as a leader in innovation, governance and legal foresight, while engaging directly with QUT's brightest future professionals.

## Sponsorship Benefits

- **Banner and logo** display at the event
- Invitation to provide a **panellist**
- **Logo** on all promotional materials and event media
- **Formal acknowledgement** during opening remarks
- **Photography and media** coverage provided for your firm's use (upon request)

# Special Events

Our club is more than our landmarks events. As a developing club, we have hosted a wide variety of events across different subject matters. The below events may return for 2026, particularly upon request.

## Analyst Afternoon

In collaboration with the QUT Business Analysis and Data Science (BANDS) club, this workshop connects students with analysts across diverse industries to showcase the versatility of analytical skills. Through interactive activities, attendees gain hands-on insight into the approaches that define modern analyst careers.

## A Forecast for the Future

Together with The Legal Forecast, this panel event brings together forward-thinking legal professionals to discuss the future of the legal industry. From the impact of technology to the importance of wellbeing, A Forecast for the Future offers students a glimpse into what lies ahead for the modern lawyer.

## The Future of Privacy

Presented in partnership with QUT Law and the International Association of Privacy Professionals (IAPP), this event explores the growing importance of privacy and data protection in today's digital world. Featuring a panel of industry leaders, attendees gain valuable insight into careers and developments within the privacy sector.

# Social Events

What's a university club without some social events? We are committed to bringing our members together for some fun and exciting breaks from study. We care for our members wellbeing and love hosting a fun get together. If you would like to directly contribute to a social event, please contact us.

## Welcome Coffee

## STEM vs LAW Trivia Night

## A Classy End to A Classy Sem

## Cafe Crypto Debate

## "Green Mysteries and Odd Histories"

# Packages

We offer a variety of packages to suit your company's needs. Custom packages for you to pick and choose from our perks are also available upon request.
